<p><b>About the Institution</b></p> <p>Idhaya Engineering College for Women is run by the Franciscan Sisters of Immaculate Heart of Mary Congregation (FIBM) Pondicherry which was started in the year 2001. It is committed to the serving cause of women through high quality of academic programme. The Prime Objective of this College is Academic Excellence and Character Formation of women who are trained to be future engineers. The campus consists of beautiful green lawns and play fields. The college is well known for its Academic discipline, Technical excellence, Modern facilities, Record of performance with excellent results and Empowering students. It is our pride to pronounce that our college stands first among the engineering colleges in Villupuram and Thiruvananthapuram Districts and it ranked in the 4<sup>th</sup> place among all the affiliated colleges of Anna University. Many of our students have been selected in various Multinational companies, Banks, Government and Private sectors. Idhaya Engineering College for Women is an ISO 9001:2008 certified institution which is approved by AICTE and affiliated to Anna University, Chennai.</p> <p><b>About the Department</b></p> <p>The department of Electronics and Communication Engineering was established in the year 2001. It offers an Undergraduate programme in Electronics and Communication Engineering. The Department of ECE has well qualified and dedicated faculty members who are expertise in various technical domains. The faculty members are encouraged to enhance their knowledge by attending Faculty Development Programme in premier institutions. They publish quality research work in reputed journals and national and international conferences.</p> <p>The department equips the students with strong foundation and technological skills in their relative areas. The department has full-fledged well-equipped laboratories. The students are exposed to the cutting-edge technologies applied in industries by way of in-plant trainings and industrial visits.</p>	<p><b>Objective of the Programme</b></p> <p>This Faculty Development Programme throws light on the promising research areas such as Imaging, Pattern Recognition, booming trends and its diverse applications. The rapid increase in computing power and communication speed coupled with computer storage, have led to a new age of digital image applications such as digital mammographic analysis, medical image processing, biometrics, content and annotation based image retrieval, image mining, image security and nano technology applications. The FDP aims at equipping teachers with skills and knowledge in order to create a better society by guiding, training and motivating the students to take up research projects.</p> <p><b>Course Content</b></p> <ul style="list-style-type: none"> <li>• Fundamentals of digital image processing</li> <li>• Practicing the concepts of digital image processing on mat/lab</li> <li>• Image and Video Processing</li> <li>• Image analysis, Segmentation and Classification</li> <li>• Image Denoising</li> <li>• Image guided procedures</li> <li>• Segmentation applications in Images and Videos</li> <li>• Nonlinear filtering for Image Denoising</li> <li>• Image processing using Lab view</li> </ul> <p><b>Resource Persons</b></p> <p>The sessions will be handled by Eminent Experts having vast experience in reputed institutions and industries.</p> <p><b>Eligibility</b></p> <p>Faculties from Anna University affiliated Engineering institutions can apply.
