OBJECTIVE OF THE PROGRAMME

Embedded Systems continue to play an important role in modern society. Embedded system products contain computing capabilities but are not as themselves computers, and may be found in a wide spectrum of applications. Engineering challenges are abound in the design and development of innovative products due to system level integration of hardware and software. The embedded systems market is snowballing at a furious pace and this trend has caught up with a majority of the populace from all across the globe. Virtually every façade of our contemporary lives are dependent on it and in such a scenario, it is also emerging as one of the most promising career alternatives in today's epochs of state of the art technologies and advanced gadgets.

COURSE CONTENT

- Introduction about Embedded System with Applications
- Emerging Trends in Embedded System
- Embedded Networking Protocols
- Embedding a Microprocessor
- Embedding a Microcontroller
- Hands on Embedded Linux Android, IIR for 8051 Microcontroller

Resource Persons

The program will be handled by eminent Experts having vast experience in related technology.

Dear Father,

Greetings!

We are grateful to you for accepting our request and arranging two days Faculty Refresher Training Programme at your campus on 15th and 16th June 2018.

We hope that the programme will energise the faculty of engineering and technology with new innovative ideas and techniques as part of their continuing professional development.

As we have started a new startup centre named "Idhaya Technological Entrepreneur Incubation Centre (ITEIC)" at our campus, it is good to know about entrepreneurship development and funded projects for enhancing research and development activities.

As you are doing good in this field, we feel happy to have your faculty as resource person. It is better if you provide a certificate to our faculties for these two days programme.

It is my pleasure to provide you necessary details in this regard.

Thank you

With kind regards,

can be an effective professor, Youth formation, Empathy towards students, Orientation about Youth Entrepreneurship

The programme is for one and half days with half a day for site visit.

We shall include some sessions on ICT for Education and Administration, MOODLE etc.

I shall work out the detailed plan and get back to you within two weeks.

Could you please suggest the food menu for lunch (twice), supper(dinner), breakfast (once)? It will help us to work out the cost involved.

The programme shall be designed by me. I prefer that it should be more a workshop than theory sessions. The proposed sessions based on your suggested themes:

Day 1 (Forenoon) PERSONALITY & LEADERSHIP AS EDUCATORS
Day 1 (Afternoon+Evening) TECHNOLOGY/ENTREPRENEURSHIP
Day 2 (Forenoon) EDUCATION PEDAGOGY

Please confirm if this structure is ok.

Should we provide you the Certificates in the name of BIOS INFOTECH EDUCATION TRUST or BOSCO SOFT TECHNOLOGIES PVT LT or DON BOSCO COLLEGE?

I'm marking a copy of this mail to Fr Alex (Administrator) and Fr Sathinathan (Vice Principal) for food, accommodation and logistics.

Summary:

HR Services Cell of IECW in Collaboration with Don Bosco Centre, Yelagiri Hills, conducted two days faculty refresher training programme on 15th and 16th June 2018. The journey started with a prayer at 03.30 a.m. from our College campus. Around 45 faculty members participated in this course. The Rector and Secretary of Don Bosco College, Yelagiri had given a guidance throughout the FRTP. For the first day, Rev. Dr. John Alexander and Mr. Ganesh engaged the sessions. Following Mrs. Priyadharshini and his team gave a brief note on Hi/Grade D space. On the next day, Rev, Fr. Thaddeus explained about ICT tools and Education. And Rev, Fr. Alex Thambidurai, Administrator of DBC College gave a wide knowledge on Entrepreneur skills. At last the FRTP came to an end with the words of appreciation.
