## 34. MENTORING SYSTEM POLICY

### 1. Preamble

IECW is committed to provide a reliable and comprehensive support system to motivate students to achieve in both academic and non-academic fields and help to mould them for the future.

### 2. Objectives

1. To build students confidence to set high goals and guiding them to achieve it.
2. Offering psychological support in a parental way.
3. Offering the students on exposure to diverse academic and professional perspectives and experience in various fields.
4. Helping the students to develop interpersonal skills.
5. Creation of personal relationship between the mentor, mentee and the parent make their life in the campus meaningful irrespective of their socio-economic background.

### 3. Scope

The policy is applicable to Heads of the departments, all internal and external mentors, and mentees

### 4. Roles of Mentor

Mentors provide guidance, advice, feedback and support to the mentee, serving various roles as a role model, faculty, counsellor, advisor and ally by helping with exploring careers, setting goals, developing contacts and identifying resources to the students.

### 5. Responsibilities of a Mentor

The mentor has the following Responsibilities that benefit the mentee in all aspects as follows:

1. Meet the group of students regularly and continuously monitor, counsel, guide and motivate the students in all academic matters.
2. Guide the students regarding choice of electives, projects, summer training, etc.
3. Contact parents/guardians based on the situation demands e.g. academic irregularities, negative behavioural changes and detrimental activities, etc.
4. Encourage mentees to meet their educational and professional goals and objectives.
5. Helps the student to explore the career fields in the student's branch of Engineering and provides information about Higher education and job opportunities.
6. Share relevant life and work experience to assist the student mentee in making educational and professional decisions.
7. Be familiar with the personal history of the assigned student including Educational and

Family background.

8. The academic and non-academic performance of the mentees has to be communicated to their parents/guardians regularly.
9. Maintain a student record with all discussions on academic performance, arrear exam appearance status, parent's interaction, leave details, extra and co-curricular activities performance.
10. Counsel the students whose progress are found unsatisfactory and report the same to the advisor and the HOD.
11. Explain about the students regarding importance of attendance and its implication to do well in examinations.
12. Explain the importance of Internal/Model Examination (s) and its impact in the end semester examinations.
13. Organize students' day to day learning opportunities and activities in practice.
14. Assess a student's total performance including skills, knowledge applied to practice, values, attitudes and behaviours relevant to the stage of the programme.
15. Share relevant life and work experience to assist the mentee in making educational and professional decisions.

## **6. Responsibilities of a Mentee**

1. Respect the mentor.
2. Regularly attend the personal meet with the mentor and seek guidance.
3. Provide the details of performance, curricular and extracurricular activities to the mentor.

## **7. Responsibility of the Head of the Department**

1. Allocate mentors to all the students.
2. Review the mentor – mentee system on regular intervals.
3. Support and advise the mentors for effective discharge of their duties.
4. Keep the head of the institute informed.

## MENTORING SYSTEM-SUCCESS STORY

I am Janani. V studied Electrical and Electronics department in Idhaya Engg college for women from 2019 to 2023.

During my studies, i was very shy and not out spoken, very nervous and stage feared.

Every Alter native wednesdays my mentor Mr. A. Joseph selvakumar ASP/IT mentored me.

During the mentor-mentee session, HE guided me so well and advised me to do yoga & meditation to eradicate fear slowly my mind changed. I started to speak up in front of others & stage fear went out.

I got myself improved both in studies & in my communication skill. I can proudly say, I got my job in pro-future pvt ltd, because of mentoring session.

Thanks to my mentor

  
With sincere thanks  
(Janani. V)

## Entrepreneur Club

### About:

Entrepreneur Club of IECW is a non-profit student organisation dedicated to instil an entrepreneurial spirit among them. It mentors, consults and connects aspiring young entrepreneurs with alumni and related entrepreneurs to help them for achieving their goals. It regularly organises programmes to foster an entrepreneurial culture among the students to lay the way to become a successful entrepreneur.

### Objectives:

- To accelerate pace of economic development of the country by bringing the students to undertake risk bearing business endeavors
- To serve as a mentor for students who have innovative ideas that can be turned into profitable businesses.
- To make Entrepreneur Development more effective by imparting relevant education and developing entrepreneurial competencies.
- To identify a viable and feasible business opportunities to mobilize technical resources intellectually.

### Functions:

- Organizing Workshops, Seminars and Webinars periodically to create awareness about Entrepreneurship.
- Interactive sessions with successful entrepreneurs
- Establishing Entrepreneur Club to take care of Finance, Documentation, Networking and Public Relation.
- Students volunteers are given opportunities to participate in various programmes organized by the EDII – TN HUB.
- Arranging pilot model business opportunities in the campus to gain exposure and experience.
- Organizing talent show periodically to exhibit their entrepreneur skill through Bazaar and profit based games.
