Action Taken Report on Feedback

UG-Department of Computer Science and Engineering

| Feedback Source | Questionnaires with less Threshold | 4-Scale Weightage | Action Taken |
|-----------------|---------------------------------------------------------------------------------------------------------------------------------------|-------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Students | Rate the distribution of the contact hours among the course components (Lecture-Tutorial-Practical) | 3.3 | The university's board of studies determines the contact hours based on the difficulty of the papers, past test performance, and theory, analytical, practical, and project course |
| | Rate the method of Sequence of the units on each course | 3.4 | The university's board of studies assigns credits for courses that are theoretical, analytical, practical, or project-based. |
| Faculty | Rate the standard of the text books and reference books of each course. | 3.8 | Electives offered to the needs of industries/Technical field. |
| | Rate the effectiveness of system followed for the design and development of curriculum. | 3.8 | Affiliating university changes the regulation once in four years/as and when required. Now regulation 2021 is in force. |
| Employer | Rate the sufficiency of the courses in the program, related to the industry requirements | 3.5 | The number of Practical and theory courses vary semester wise and program wise. |
| Alumni | Rate the applicability of the domains and the tools used for designing the experiments in terms of existing practices in the Industry | 3.6 | The number of hands on training programs are increased as per the requirements of field. |
