Reverend Sister,

Sub: IECW - Lending tailoring course for Viduthalaipuram - Reg.

Greetings from Sr. John Britto Mary Secretary, IECW.

We, the members of Idhaya Engineering College for Women, have adapted to the village named Viduthalaipuram, which is located nearer to our college premises. There are approximately 90 families residing, and approximately 15 women between the ages of 15 and 40 are interested in taking a tailoring course in the evening, preferably from 5.00 p.m. to 6.00 p.m., to support their families. We would like to provide our space for the training and request that you supply the necessary equipment and accessories, such as sewing machines, threads, and clothes. Furthermore, it would be more helpful if you provided the salary expenses of the trainer from your end. We will be very grateful for the support rendered by you to uplift the marginalised women of this village, as two girl students have already completed their B.A and are doing their B.Ed under your sponsorship, and three girl students are pursuing nursing courses in Assisi Community College, Eraiyur, at no cost. Thank you for your benevolence.

Looking forward to the positive response.
