1. About SDC

The Student Development Cell (SDC) was established in the year 2015 with the intention of providing skill development programmes for the welfare of the students. The objectives of the SDC are to develop overall personality of the students, knowledge sharing through experts, organising variety of programmes, appreciating the best performers and mentoring.

ACTIVITIES:

- In order to assist the students to improve their communicative and technical skills, Personality Character Formation session is arranged twice in a week in the regular timetable.
- Eminent personalities from various disciplines are invited to share their knowledge to help the students to develop their skills.
- Seminars, Guest Lectures and workshops are organised regularly through professional experts.
- Motivate and support the students to participate various intra/inter college programmes to have more technical exposures.
- Industrial visit is being arranged to the students for acquiring knowledge about real time industrial practices.
- Encourage and appreciate the Toppers and Rank holders of curricular, co-curricular and extra-curricular activities.

Services offered:

- **Bridge Course**

  Students admitted for first year engineering programme are given the foundation course and life skills course which will help them for successful completion of the engineering programme.

- **Mentoring**

  Mentoring is done periodically for students to counsel for their personal and career issues**.**

- **Health Care**

  There is a system to take care of the students requiring immediate medical attention, and if required, they will be taken to the nearest hospital for further treatment.

- **Scholarships**

  The management assigns a faculty in charge as SPOC to help the students to get the below mentioned scholarship from the Government.

1	BC and MBC Scholarship
2	First Generation Graduate Scholarship
